**Kennesaw, Georgia Apr 21, 2023** ([IssueWire.com](http://IssueWire.com)) - This prestigious award recognizes businesses that have demonstrated excellence in their respective fields and have earned the trust and loyalty of their customers.

The Best of Cobb Awards are presented annually by the Cobb County Chamber of Commerce, a local organization that promotes and supports business growth and development in the county. The awards are based on public nominations and voting, as well as a rigorous evaluation process by a panel of independent judges.

"We are thrilled to receive this honor and grateful for the support of our customers and the Cobb County community," said Kevin Newman, founder, and CEO of Top Tech Mechanical. "At Top Tech, we are dedicated to providing the highest quality HVAC services that meet the unique needs and preferences of each customer. This award is a testament to our commitment to excellence and customer satisfaction."

Top Tech Mechanical has been serving the Cobb County area for over 20 years, offering a wide range of HVAC services, including repair, replacement, installation, and maintenance. The company prides itself on its team of experienced and certified technicians who use state-of-the-art equipment and techniques to provide accurate and efficient solutions.

In addition to its HVAC services, Top Tech Mechanical is also known for its commitment to community involvement and charitable initiatives. The company regularly donates to local charities and participates in events that promote social responsibility and environmental sustainability.

"We are honored to be part of the Cobb County business community and look forward to continuing to serve our customers with the same level of quality and dedication that earned us this award," added Newman.
