

Tucker Skincare & Laser Studio Ramps Up Expansion in 2023

Atlanta, Georgia Apr 11, 2023 ([Issuewire.com](https://www.issuewire.com)) - The Local Skin & Aesthetics Studio is preparing to expand into the Tucker, GA, area! After opening its doors in June of 2020 in Tucker, GA, Crystal Ngozi Beauty & Esthetics has established itself as a leader in the aesthetics space driven by the mission of empowering professional women of color struggling with acne and hyperpigmentation to develop trust and the highest self-esteem through professional skincare treatments in a safe space. Now, Crystal Ngozi Beauty & Esthetics is on track to bring life-changing results to even more people with its expansion plan scheduled in June 2023 in Tucker, GA's Northlake Square with anchoring stores Aldi, Best Buy, and Mellow Mushroom.

"Since launching, Crystal Ngozi Beauty & Esthetics has grown tremendously and impacted many lives. I am excited for what this expansion will mean to the community we serve," said Founder Crystal Ochemba-Powell.

As Crystal Ngozi Beauty & Esthetics brings its new location to life this year, the growing brand focuses on providing various solutions for a diverse clientele, including acne, anti-aging, and unwanted hair growth. To stay ahead of the aesthetic curve Crystal Ngozi Beauty & Esthetics strives to offer the most advanced services. Our Vision is to create a legacy that inspires generations of women of color to boost confidence through consistent skin health routines and customized treatment plans. Crystal Ngozi Beauty & Esthetics is the expert in treating skin of color and looks to set the standard for future spa professionals with gainful employment opportunities and education.

The new Skincare & Laser Studio will offer a comprehensive list of services, including customized

skincare treatments, acne facials, hyperpigmentation & acne scarring treatments, anti-aging solutions, beard facials, ingrown hair solutions, chemical peels, Procell micro-channeling, Aerolase laser hair removal, brow tinting & sculpting and make-up and lash extensions.
