

Welcome to Report Scam Community- We help Scam Victims in recovery

New York City, New York Apr 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - [ReportScam Community Ltd](https://www.reportscam.com) is an online community that is devoted to helping people who have been victims of any type of scams with financial losses. Our mission is to ensure everyone affected by a scam gets the assistance and justice they deserve, as well as access to advice and services to help them recover their losses. At ReportScam, we have assembled highly professional teams comprised of fund recovery managers, Bitcoin experts,

lawyers and other specialists from various fields, who use the ReportScam website and forum to provide comprehensive advice and assistance for those effected by a scam. By filling out a complaint form available on our website –

[Report Scam Form](#) – Any scam victim can get help. We assess each case thoroughly and decide on the best course of action for our customer. In cases where it's possible to get back funds or claim chargeback from companies responsible for the fraudulent activity, we transfer the case into hands of experienced recovery companies which are best suited for navigating clients through safe pathways for recovery. We firmly believe in principles of transparency when it comes to dealing with victims of scams. We make sure all parties involved know each step taken towards getting back lost funds and are always clear about fees associated with our services. Additionally, we also provide education about how people can protect themselves against any type of scams in future; be it Forex scams, Cryptocurrency scams, Binary Trading Scams or Investment ones. ReportScam Community was incorporated in 2020 under company number 14212000 with commitment towards ethical business practices and customer satisfaction as main core values driving us forward as a company. If you want more information regarding our services or you are looking for advice related to suffering financial losses due pf being scammed then visit us at [Report Scam Website](#)
