Poodah Baby the rising star of Kentucky

Lexington-Fayette, Kentucky Apr 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - Pooda Baby, the rising star of the Kentucky rap scene, is back with a bang. The talented young artist, known for her impressive rapping skills and unique style, has just released a new single titled "Dank", which is available for streaming on Apple Music.

Born in 2001, Pooda Baby discovered her love for music at an early age and has been pursuing it with passion and dedication ever since. Influenced by hip-hop legends like Missy Elliott, Lil' Kim, and Queen Latifah, Pooda developed her own style and quickly gained a reputation as one of the most brilliant and hardworking artists in the industry.

Despite her young age, Pooda has already accomplished a lot in her career. She has opened for several mainstream artists and built a loyal fanbase on all major platforms. With a catalog of songs that showcase her impressive skills as a rapper, singer, and songwriter, Pooda is poised to take the music world by storm.

Pooda's latest single, "Dank", is a hard-hitting track that showcases her lyrical prowess and her ability to manipulate her words in a unique and powerful way. The single is a perfect example of Pooda's style, which combines hard-core rap with feminine qualities, making her one of the most exciting and innovative artists in the industry.

To support her new single and further promote her music, Pooda Baby has joined forces with her cousin Rich Bout-It, a self-made millionaire and the president of Paperchase Muzik LLC. Together, they plan to take the Kentucky rap scene by storm and make Pooda the next big thing in hip-hop.

Fans of Pooda Baby are eagerly anticipating her upcoming projects and can't wait to see what this talented artist has in store for the future. With her passion, dedication, and impressive skills, Pooda is

sure to leave a lasting impact on the music industry.
