Toms River, New Jersey May 14, 2023 ([IssueWire.com](https://www.issuewire.com)) - Hey there fellow comedy lovers! Have you heard about The Gilbert Diaries Movie? This hilarious comedy made in New Jersey is causing a stir online with its slapstick humor and talented cast. The directors, Frank Modica, Paul Venier, and Bobby Ciasulli, really hit a home run with this one! It's now streaming on various platforms like Amazon Prime Video, Tubi TV, and Cinedigm, and the momentum is unstoppable. The movie has won multiple awards for Best Comedy from prestigious film festivals like the Chelsea Film Festival and Vegas Movie Awards. The cast is also amazing! You've got Angel Salazar from Scarface and Carlitos Way, Bobby Ciasulli from Real Housewives of New Jersey Season 6, and Artie Pasquale from The Sopranos.

But wait, there's more! Frank Modica, the owner of What On Earth Production's and the mastermind behind The Gilbert Diaries, is now working on a Horror/Thriller film set to be filmed in New Jersey. This guy is a versatile artist who loves collaborating with like-minded people in the industry. He believes in telling stories that resonate and inspire audiences, not just entertaining them.

In the meantime, you can catch The Gilbert Diaries for free on Tubi or rent it on Amazon Prime Video. It's also available on other streaming platforms. The Gilbert Diaries is everywhere for you to watch. Don't forget the popcorn!
