

Alabama Rapper Lil Bam Passes out after His Performance last Night In Huntsville, Alabama

Lil Bam went live to let fans know he was ok.

Huntsville, Alabama May 4, 2023 ([IssueWire.com](http://www.IssueWire.com)) - Alabama's HOT BOY Lil Bam had Facebook and Instagram going crazy after fans saw the young rapper passed out being escorted to the hospital. The label rep tells us Bino has been preparing for his upcoming tour, also working long nights recording after recent shows he just had last week, in & out of town. The 22-year-old rapper has been doing shows Weekly ever since the year jumped off! His manager says Lil Bam will definitely have a speedy but solid recovery to get him back to doing what he loves. He also assures that the team and artists as a whole will start a new health mission while on tour and definitely will continue their journey afterward. Lil Bam Instagram
