

Angela L. Bosjolie, DO, an Ophthalmologist with ReFocus Eye Surgery Center

Get to know Ophthalmologist Dr. Angela L. Bosjolie, who serves patients in Waterbury, Connecticut.

New York City, New York May 1, 2023 ([Issuewire.com](https://www.issuewire.com)) - A highly respected surgical retina specialist and ophthalmologist with over a decade of experience in the field, Dr. Bosjolie tends to patients at the ReFocus Eye Surgery Center in Waterbury, Connecticut.

Providing comprehensive ophthalmology services, she specializes in the treatment of retinal disorders such as macular degeneration, diabetic and hypertension retinopathy, macular holes, macular puckers, retinal tears, and retinal detachments. She is also known for her extensive knowledge on diabetic eye health, age-related macular degeneration, as well as flashes and floaters, and has given numerous lectures on these topics.

Throughout her academic career, Dr. Bosjolie received her medical education and training from highly respected institutions such as Lake Erie College of Osteopathic Medicine, Northwell Health Eye Institute, and the Bert M. Glaser National Retina Institute.

Passionate about her profession, the doctor is board-certified in ophthalmology by the American Osteopathic Boards of Ophthalmology and Otolaryngology - Head and Neck Surgery, which is a joint organization that provides board certification to qualified Doctors of Osteopathic Medicine (D.O.) who specialize in the medical and surgical treatment of the eye (ophthalmologists) and to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of the ears, nose, and throat (otolaryngologists).

In order to remain up to date in her field, she is an active member of the American Society of Retinal Specialists, the Connecticut Society of Eye Physicians, and the American Academy of Ophthalmology.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. Ophthalmologists are also surgeons. They repair traumatic injuries to the eye and may perform cataract, glaucoma, and corneal surgery.

Recognized for her outstanding work in the field of ophthalmology, Dr. Bosjolie has received numerous awards, including being named a Top Doctor by Connecticut Magazine in 2021 and 2022, and a Castle Connolly Top Doctor in 2022.

On a more personal note, she is fluent in both English and Spanish.
