

Blue Sun Corporation Launches Broccoli Ice Cream

San Francisco, California May 3, 2023 ([IssueWire.com](https://www.issuewire.com)) - Blue Sun Corporation has announced the launch of its new and innovative product: Broccoli Ice Cream. Made with real broccoli, this ice cream is a delicious treat that also provides all the health benefits of the popular vegetable.

According to Lucas Furst, MD, Pediatrician and Chief Medical Officer of Blue Sun Corporation, "Broccoli Ice Cream is the best of both worlds. It's a delicious treat that also provides all the health benefits of broccoli," said the Good Doctor.

Broccoli Ice Cream is a good source of vitamins A and C, as well as fiber and antioxidants. It's also an excellent way to encourage children to eat more broccoli, a vegetable that is often avoided by kids.

Celebrities like Rachael Ray have been promoting broccoli for kids, encouraging them to try new and healthy foods. Rachael Ray said, "I love broccoli ice cream; it's a fun and tasty way to get kids to eat more veggies."

Blue Sun Corporation's Broccoli Ice Cream is now available for purchase. For more information, please
