

Cassidy Boland, DMD, a Dentist with Teaneck Dentist & Morris Plains Center for Dentistry

Get to know Dentist Dr. Cassidy Boland, who serves patients in New Jersey.

New York City, New York May 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Boland works alongside Drs. Ari Frohlich and Sami Solaimanzadeh at their private practice - Teaneck Dentist - in Teaneck, New Jersey. She also tends to patients' dental needs at Morris Plains Center for Dentistry.

Achieving the smile of your dreams, she enjoys helping patients feel as comfortable as possible while

providing the finest dental care. She loves working with kids to help them attain a positive view of the dentist and prepare them for a lifetime of oral health.

Incorporating the latest technology, both Teaneck Dentist & Morris Plains Center for Dentistry deliver the highest quality family, cosmetic, restorative and implant dentistry. Exemplary patient care, outstanding aesthetic results, compassion, and integrity are the cornerstones of the dental practices.

Hailing from Oradell, New Jersey, Dr. Boland graduated with a Bachelor of Science degree from Tulane University. She then went onto Rutgers School of Dental Medicine where she graduated with high honors and a degree of Doctor of Dental Medicine (DMD). She did her General Practice Residency at Hackensack University Medical Center, furthering her experience with more advanced dental cases.

Professionally, Dr. Boland has leadership experience in the American Association of Women Dentists and the American Student Dental Association. She has also volunteered in the Indian Health Services, providing dental treatment for members of the Lakota Sioux Native American Tribe at the Pine Ridge Hospital Dental Clinic, and has spent time in an externship providing dental services for underserved communities.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Throughout her line of work, Dr. Boland has received multiple awards, including the American Association of Women Dentists- Eleanor Bushee Senior Student Dental Award, Robert E. Gillis, Sr., DDS Endowed Scholarship, Omicron Kappa Upsilon – Dean's List, Gamma Pi Delta Prosthodontic Honor Society, Michael T. McCormick, Jr. Endowed Scholarship, and Irwin Quinn, DDS Endowed Scholarship.

On a more personal note, Dr. Boland is married to her middle school sweetheart. She spends her free time with her family and friends and enjoys exercising, hiking, and exploring new places.
