

Continuum Showcasing Its Web3 Marketing Platform at WikiFinance Expo Singapore 2023

Singapore, Singapore May 25, 2023 ([IssueWire.com](https://www.issuewire.com)) - Continuum, the leading web3 marketing platform, is thrilled to announce its participation in the highly anticipated WikiFinance Expo Singapore 2023. The event will take place at the Sands Expo and Convention Centre, Marina Bay Sands, Singapore, on May 27, 2023. Attendees can find Continuum at Booth B3-10 throughout the expo.

About WikiFinance Expo Singapore 2023:

WikiFinance Expo Singapore has consistently been recognized as a premier event in the industry, positioning Singapore as the "land of opportunity" for the development of the forex blockchain industry in Asia and beyond. As part of the larger Wiki Finance EXPO-World, a large-scale touring summit held in various cities around the Asia-Pacific region, the Singapore edition has become a focal point for top experts, industry pioneers, project owners, venture capitalists, and passionate practitioners.

This year's expo will bring together over 100 experts and gurus from the local financial community, providing a platform for engaging discussions and insights into the latest trends and advancements in the industry. With topics ranging from Blockchain, Web3.0, Crypto, NFTs, Digital Finance, ESG, to Forex, WikiFinance Expo Singapore 2023 promises to be the biggest event of its kind in Singapore.

Why Attend WikiEXPO:

- Wiki Finance EXPO-World is a large-scale touring summit held in multiple cities around the Asia-

Pacific region, attracting industry professionals from diverse backgrounds.

- The event brings together a wide range of guests relevant to various businesses, fostering networking opportunities and potential collaborations.
- With an estimated 5,000+ participants, including over 1,000 enterprises and 500+ supporting partners, WikiFinance Expo Singapore 2023 is set to be the largest event in Singapore's financial industry.
- Participation in the expo is free, allowing attendees to explore the expo floor, attend insightful sessions, and connect with industry experts.

Continuum is excited to be a part of this prestigious event, showcasing its cutting-edge web3 marketing platform to a diverse audience of industry leaders and enthusiasts. With a focus on helping brands acquire new users, onboard users, and educate them through the power of education, Continuum offers a comprehensive solution for businesses in the web3 space.

By visiting Continuum's booth at B3-10, expo attendees will have the opportunity to learn more about the platform's features and how it can revolutionize their marketing strategies in the web3 era. Continuum empowers businesses to optimize customer engagement, drive conversions at scale, and expand their market reach through educational content. The platform provides a range of tools, including the creation of customized courses, embedding capabilities, rewards, and seamless integration into Continuum's discovery network and mobile apps.

"We are thrilled to be part of WikiFinance Expo Singapore 2023," said Jason Curry, CEO of Continuum. "This event presents a unique opportunity for us to engage with industry experts, forge meaningful partnerships, and showcase our innovative web3 marketing platform. We look forward to demonstrating how Continuum can help businesses thrive in the evolving digital landscape."

Attendees interested in learning more about Continuum and its web3 marketing platform are encouraged to visit the Continuum booth at B3-10 during WikiFinance Expo Singapore 2023. The team will be available to provide live demonstrations, answer questions, and discuss how Continuum can be tailored to meet their specific business needs.
