Redwood City, California May 10, 2023 ([Issuewire.com](https://www.issuewire.com)) - Cypress Capital Group, known for its luxury residences along with the Boyenga Team, is thrilled to announce the unveiling of a new custom modern farmhouse at 1200 Stockbridge Avenue. Nestled in the heart of Silicon Valley, this breathtaking 6-bedroom, 5.5-bath home is set to open for public viewing on May 13th and 14th, and again on May 20th and 21st.

Designed with the utmost attention to detail, the 4,264-square-foot main residence, along with an attached Accessory Dwelling Unit (ADU), offers a seamless blend of contemporary design and traditional farmhouse aesthetic. The home showcases luxury finishes, including quartz countertops, custom cabinetry, and top European imported fixtures, providing a timeless elegance that complements the stunning exterior facade.

The property boasts dramatic double-height windows and an inviting open-plan living/dining/kitchen area with French sliding doors leading to a beautifully landscaped patio. The Chef's kitchen is well-equipped with professional-grade appliances, a spacious island, and a separate pantry.

Featuring an attached ADU with its own address, separate access, and utilities, this property offers versatility and convenience. The ADU includes a kitchenette and a laundry area, making it ideal for multi-

generational living or as a separate home office.

The expansive master suite, located upstairs, includes a generous walk-in closet, an inviting soaking tub, his and hers sinks, and a glass-enclosed shower. Three additional spacious bedrooms upstairs include a Jack n Jill bathroom setup. The second floor also has a bonus room that can be outfitted as a laundry room, with all piping pre-installed.

Outdoors, the property offers a stunning hardscape with a 14 panel solar array and a 3 Zone HVAC system. The home also features white oak flooring throughout, Bluestone pavers, and a fully finished two-car garage with easy access on Nimitz Ave.

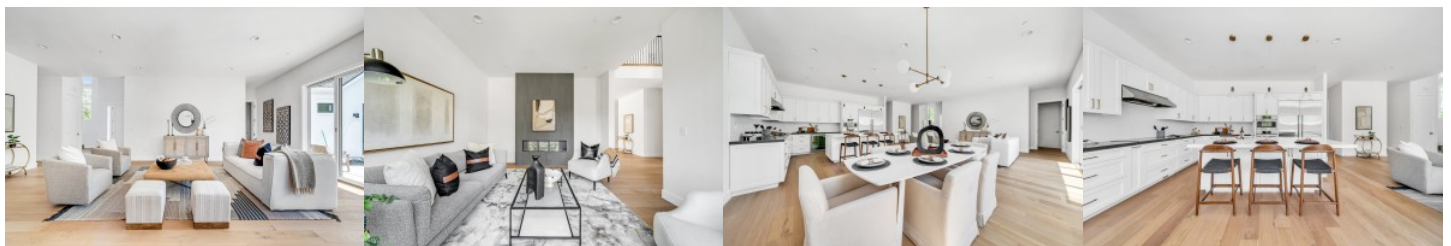

Redwood City schools, including Woodside High School, are nearby, and there is neighborhood access to Sacred Heart, Menlo School, and Castilleja. This location provides the best of all worlds for dining and entertainment with access to downtown Menlo Park, Palo Alto, and Redwood City. Commuting is easy with close proximity to Silicon Valley companies including Facebook, Google, Apple, and Stanford University.
