New York City, New York May 5, 2023 ([issuewire.com](https://www.issuewire.com)) - Dr. Wong is a general and cosmetic dentist & Invisalign Gold provider. He has been passionate about providing high-quality, personalized dentistry for over 20 years, working alongside Dr. Kristi Koyanagi at Dentaworks Hawaii.

He says that knowing he has the ability to change a patient's life for the better is by far the best part of his job. Nothing makes him happier than when a patient shows their appreciation because he has

worked hard to give them his best, whether someone is coming in for a checkup or a smile makeover.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Married to his dental school classmate, Dr. Amanda Wilson, Dr. Wong and his wife have two children, Evan and Olivia, who are both competitive swimmers, as well as a cat named Vinnie.

On the weekends, Dr. Wong likes to cook, surf with his daughter, and work on hot rod cars.
