

Dr. Jon Kiev Scholarship for Medical Students Supports Future Medical Professionals

Jon Kiev Helps Medical Students in Making a Positive Impact on Communities

Houston, Texas May 17, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Dr. Jon Kiev](#), a highly experienced medical professional with over 30 years of experience in the field, has established the [Dr. Jon Kiev](#) Scholarship for Medical Students to support future medical professionals in their pursuit of education and career goals. The scholarship will provide a one-time award of \$1,000 to a medical student who demonstrates a commitment to making a positive impact on their community through their future career in the medical field.

To be eligible for the scholarship, applicants must fulfill the following criteria: Currently enrolled as a medical student at a university within the United States. High school students who have been accepted into a university to study medicine and plan to enroll in the upcoming academic year are also eligible to apply. The scholarship will be granted through an essay competition where one candidate will be chosen as the winner. The winner will be selected based on the quality and creativity of their essay, which should be no longer than 1000 words, and will be expected to address the essay question provided.

The essay question provided is "How do you plan to give back to your community and make a positive impact in the lives of others through your future career in the medical field?" The scholarship aims to identify and support the next generation of medical professionals who are dedicated to improving the health and well-being of their communities.

The deadline to apply for the scholarship is August 15, 2023. The winner for the scholarship will be announced on September 15, 2022. Applicants are encouraged to visit the [Dr. Jon Kiev](#) Scholarship website, <https://drjonkievscholarship.com/>, for more information on how to apply.
