

## **Dreamer Infotech: An Ed Tech platform that provides the Best IT Courses in Faridabad.**

**Faridabad, Haryana May 4, 2023 ([Issuewire.com](https://www.issuewire.com))** - For students interested in digital marketing, data science, programming languages, and other fields, Dreamer Infotech is the top offline ed-tech platform. Dreamer Infotech, which was founded in the year 2020, has quickly established a reputation as Faridabad's top Institute for offering students programs that ensure employment.

Dreamer Infotech has transformed the ed-tech business under the innovative leadership of its **CEO, Nitesh Tiwari**. Nitesh Tiwari is a visionary entrepreneur who wants to provide Indian students with a better future by providing them with high-quality education and work possibilities. He is passionate about teaching and is dedicated to ensuring that Dreamer Infotech students receive personalized attention and excellent advice from their teachers.

Dreamer Infotech offers a range of courses that are designed to help students acquire the skills they need to excel in the digital age. The courses offered by Dreamer Infotech include Digital Marketing, Data Science, Python Programming, Power BI, Tableau, Advanced Excel, Web Designing, Node JS, Angular JS, Django, C, C++, Java, and MERN Stack. These courses are taught by industry experts dedicated to providing students with practical, hands-on experience.

One of the unique selling points of Dreamer Infotech is its 100% job guarantee programs. The institute is committed to ensuring that its students not only acquire the skills they need but also secure jobs after completing their courses. Dreamer Infotech offers job guarantee programs in digital marketing, data science, programming languages, etc. The institute provides students with job placement assistance, and its teachers and staff work tirelessly to help students secure jobs until they are employed.

We recognize that finding a job in today's competitive market can be difficult, so we provide employment assurance programs to our students. Our employment guarantee programs ensure that our students are prepared to match industry expectations and have the skills and knowledge necessary to flourish in their jobs.

Dreamer Infotech is located in Faridabad, and its state-of-the-art campus is equipped with the latest technology and resources to help students excel. The institute provides a comfortable and friendly learning environment where students can learn at their own pace and receive individualized attention from their instructors. Dreamer Infotech's address is 3B-4BP, DAV College Rd, beside Break Time Banquet, Block B, New Industrial Twp 3, New Industrial Twp, Faridabad, Haryana 121001.
