

Elevate your Summer style with stunning platinum jewellery from Platinum EVARA

Platinum Evara offers an exquisite range of platinum jewellery that promises to take your summer style game a notch higher with intricate and elegant designs.

Mumbai, Maharashtra May 10, 2023 ([IssueWire.com](https://www.issuewire.com)) - Similar to the young woman of today who stay true to their core values while embracing every part of their being, the resilient platinum maintains its untarnished shape and form over time.

Crafted from 95% pure platinum, the collection includes an array of captivating platinum necklace sets, alluring wristwear, intricately crafted platinum earrings and elegant platinum Evara rings. The stunning platinum stud earrings are an ideal choice to lift up a regular work look. It comes as no surprise that platinum studs have emerged as a must-have for the jewellery box. The white metal's sheen and stunning craftsmanship add a touch of glamour and understated elegance to every look.

Be it casual wear, party wear, workwear or even Indian wear, Platinum EVARA's curated collection of stunning platinum jewellery is a must-have in your spring-summer wardrobe. The latest collection is available across major retail stores across India.

Platinum Enchanting Raindrop:

This minimalistic bracelet features an interwoven chain held together by an overlapped droplet motif.

Style hack: This beaded platinum bracelet can be worn with your daily workwear to create a subtle yet distinct statement

The Platinum Constellation:

This platinum necklace when placed delicately around your neck compliments the universe within you.

Style hack: This bold piece is sure to compliment a variety of evening wear – from elegant sarees to cocktail gowns

Platinum Blooms:

This floral design begins with a studded diamond and blooms into rose gold and platinum petals.

Style hack: These earrings are extremely versatile and can be styled with a shift dress for a casual brunch or a professional event.

Platinum dancing lines:

This elegant chain, crafted in rare platinum features cylindrical platinum forms of mismatched lengths.

The platinum necklace price can only be quoted in those glances that are sure to make your way as you adorn this stunning platinum design.

Style hack: Wear this to your next family get together or an office party – and be the cynosure of all eyes!

Platinum Starfall

Like a stunning medley of shooting stars falling from the night sky, this piece is designed to remind you of every time you make an impression by just being the woman that you are.

Style hack: This piece can be worn across various occasions – at the boardroom, or even at a fun girls' night out!
