

Enjoy Fast Entry to America with the New American eTA

Los Angeles, California May 29, 2023 ([Issuewire.com](https://www.issuewire.com)) - Foreigners can come to America but only with a valid visa and a valid passport. Even if the stay is going to be for one day, the travelers would need that to cross the borders. However, getting a traditional American visa would mean giving a physical visit to the American embassy and standing in a long line. Well, that is a thing of the past now with the new American e-Visa. This new American electronic travel authorization or eTA will guarantee

fast entry to the country. Citizens of the Netherlands can now take advantage of this program and enter the country by land, air, or sea. To know more details about **AMERICAN VISA FOR DUTCH CITIZENS**, visit <https://www.us-visa-online.org/esta-us-visa-eligibility/dutch-citizens/>.

This ESTA US Visa program was introduced to increase border security, especially after the attacks of 2001. This program officially started in 2009 when Australia was a launch member.
