

Enjoy The Laughter and Punchlines In Moochy C's New Comedy Video 'Sliding Thru The Sota'

Artist Moochy C is developing a new YouTube comedy series and the first episode is entitled 'Sliding Thru The Sota' and is finally out now, filled with comedic genius.

St. Paul, May 29, 2023 ([Issuewire.com](https://www.issuewire.com)) - Artist **Moochy C** is on his way to showcasing his humor to people all over the world, and in an attempt to establish that, he is coming out with a comedy series on YouTube. The first episode of the series is finally out and the first impression that the video has created is proof of the artist's genius. The video is titled '[Sliding Thru The Sota](#)' and is the first episode of the comedic series, soon to be available on YouTube. The video showcases hood comedy and features the artist alongside three other characters. Filled with comedic punchlines, slow burns, and hilarity, it showcases the artist's funnybones instantly. It also displays its intention of becoming one of the most viewed comedy videos on the platform.

The video is focused on the artist and his journey to Minnesota and getting involved in certain situations with his companion. The video starts at Hotel Downtown CHI where the camera is focused on the artist and showcases his thought process of moving to Minnesota. Even though he is from

Chicago where he is born and raised, eventually it became too much for the character, forcing him to move around and finally, move to Minnesota. With a little bit of fear of not being accepted and a little bit of anticipation, the artist starts his journey and the storyline develops. The storyline follows different adventurous incidents of **Moochy C** and 2TYTE and how they get involved in the humorous state of affairs.

The video also features some side characters named Sota Cota, and Yanika who have helped the sketch become even better. As mentioned before **‘Sliding Thru The Sota’** is the first episode of an entire comedy series and there are many more to come. However, the polished writing and exciting acting that maintain the character arc throughout will not let anyone know that this is the first time the artist and his team are working on something. In just a few hours after its release, the video has garnered almost a hundred views, building up its fan base and viewer base. The video is available on [YouTube](#) under the label of **‘Strong Presence Entertainment LLC’**.
