

Everest Recovery welcomes the UK Government's £421 million in funding to boost drug and alcohol treatment across England

Woking, Surrey May 7, 2023 ([IssueWire.com](https://www.issuewire.com)) - [Everest Recovery](#) welcomes the [UK Government's recent announcement of £421 million in funding](#) to boost drug and alcohol treatment across England.

The funding comes at a critical time as the COVID-19 pandemic has exacerbated existing drug and alcohol problems in the country. The additional funding will help ensure that those who are struggling with addiction can access the vital support and care they need.

As a leading addiction treatment center, Everest Recovery is committed to providing high-quality care and support to those struggling with addiction. We understand the importance of access to treatment and support services, and we are thrilled to see the government investing in this area.

According to Ron Oliver, a leading addiction specialist at Everest Recovery, "This funding is a much-needed boost to the addiction treatment sector. The COVID-19 pandemic has had a profound impact on people's mental health and wellbeing, and we have seen an increase in the number of individuals seeking treatment for addiction. This funding will help ensure that these individuals can access the support and care they need to recover and lead healthy, fulfilling lives."

At Everest Recovery, we believe that everyone deserves access to high-quality addiction treatment and support services. We will continue to work closely with the government and other organizations to ensure that those struggling with addiction can access the care and support they need.
