A COLLECTION OF SUSPENSEFUL
SHORT STORIES

California City, California May 23, 2023 ([Issuewire.com](https://www.Issuewire.com)) - The mystery of the unknown has always drawn the attention of readers and has given several authors fame and recognition in the world. Writer Ida S Karlsson is one of those writers who have always felt passionate about this genre which led her to write and publish this new book entitled *Secrets and Shadows: A Collection of Suspenseful Short Stories*. This is a compilation of flash fiction that showcases the power of storytelling and transforms the raiders into a world of great mystery.

This compilation uniquely explores different human experiences that are written in the form of flash fiction. Published on May 17, 2023, this book is already on its way to becoming one of the biggest hits of the author's career. With a total of 67 pages, *Secrets and Shadows: A Collection of Suspenseful Short Stories* is available in both Kindle and paperback format. The book has around 30 chapters that each holds a unique story with themes like a murder mystery, redemption tales, etc. The writer also kept the stories in the form of flash fiction purposefully to give readers the complete experience in a limited time.

With the tight focus on plots, storylines, and characters, the reading experience might be complex but exciting. Being passionate about writing since childhood and at the same time, being fascinated by conundrum situations, helped Ida S Karlsson develop this writing style. In addition to that, the book is responsible for giving readers a quick escape into lands of mystery with inexplicable subjects and stories.
