Introducing Childhood Cancer Care: A Leading Clinic in Pediatric Hematology, Pediatric Oncology & Bone Marrow Transplantation

Mumbai, Maharashtra May 22, 2023 (Issuewire.com) - Childhood Cancer Care, a cutting-edge clinic specializing in Pediatric Hematology, Pediatric Oncology & Bone Marrow Transplantation, is proud to

announce its grand opening. Led by esteemed founder, Dr. Shweta Bansal, this clinic aims to provide exceptional healthcare services to children battling cancer and blood disorders.

Situated at 1A, Keshavrao Khadye Marg, Haji Ali, Haji Ali Government Colony, Mahalakshmi, Mumbai, Maharashtra 400034, Childhood Cancer Care offers state-of-the-art facilities and a compassionate approach to pediatric oncology. The clinic's mission is to deliver comprehensive care that addresses the unique needs of each young patient, offering hope and healing in the face of adversity.

Dr. Shweta Bansal, the visionary behind Childhood Cancer Care, brings a wealth of experience and expertise to her role as the clinic's founder. Serving as a Senior Consultant at Sir HN Reliance Foundation Hospital (HNRFH), she has garnered immense respect in the medical community for her outstanding contributions to pediatric hemato-oncology.

In addition to her role at HNRFH, Dr. Shweta Bansal also serves as an Honorary Pediatric Hemato-oncology Consultant at the prestigious Asian Cancer Institute, Mumbai, India. Her dedication and commitment to the field of pediatric oncology have earned her the position of Honorary Pediatric Visiting Faculty and BMT Incharge at LTMGH, Sion hospital.

Dr. Shweta Bansal completed her postgraduate studies in Pediatrics at Sir Ganga Ram Hospital in Delhi, India. To further enhance her expertise, she received specialized training in Pediatric Hemato-oncology at Rajiv Gandhi Cancer Hospital, Delhi, and Tata Memorial Hospital, Mumbai. Her thirst for knowledge led her to pursue an IOP fellowship in 2011 at St. Jude Children's Hospital in Memphis, USA, followed by a bone marrow transplant fellowship at NUH, Singapore in 2013.

"I am thrilled to open Childhood Cancer Care and provide a nurturing environment for children and families who are fighting cancer and blood disorders," said Dr. Shweta Bansal. "Our team of dedicated healthcare professionals will strive to deliver the highest standard of care and support to our young patients, ensuring their well-being and improving their chances of a healthy future."

Childhood Cancer Care specializes in a range of services, including diagnosis, treatment, and management of various pediatric cancers and blood disorders. The clinic offers cutting-edge treatments such as bone marrow transplantation and provides comprehensive support to both the child and their family throughout the healing process.
