

Introducing the M4 Style Carbon Fiber Trunk Spoiler For Your BMW G80 M3 & G20 3 Series

Bimmer Plug announces the launch of its newest product: the M4 Style Carbon Fiber Trunk Spoiler.

San Jose, California May 31, 2023 ([Issuewire.com](https://www.issuewire.com)) - Bimmer Plug, a leading provider of premium carbon fiber automotive parts and accessories, is thrilled to announce the launch of its latest product: the M4 Style Carbon Fiber Trunk Spoiler. Designed specifically for the BMW G80 M3 and G20 3 Series, this trunk spoiler combines style, functionality, and durability to elevate your vehicle's appearance.

Crafted with meticulous attention to detail, the M4 style carbon fiber trunk lip spoiler boasts a stunning gloss carbon finish, adding a touch of modern elegance to your BMW. Its sleek design creates a distinctive and dynamic look, ensuring that your vehicle stands out on every occasion.

Bimmer Plug understands the importance of using only the best materials to withstand the rigors of the road. That's why their trunk spoilers are manufactured with top-notch dry/wet carbon fiber material, ensuring exceptional strength and durability. The spoiler features a 2x2 weave and is coated with a UV protectant clear coat, preserving its pristine appearance and preventing fading caused by sun damage.

For installation of an M4 style carbon fiber trunk lip spoiler, they recommend professional installation by a trusted body shop. Rest assured, the spoiler comes with a fitment guarantee, providing you with peace of mind and a perfect fit for your BMW G80 M3 and G20 3 Series.

Bimmer Plug (<https://bimmerplug.com/>) is committed to delivering the highest quality carbon fiber automotive parts, accessories, and services to our valued customers. Experience enhanced performance and take your automotive journey to new heights with their exceptional selection of performance parts. Visit the official website or contact their knowledgeable team today to explore their product offerings and start transforming your driving experience.
