

Kayee Herzberg, DDS, a Dentist with Ken Caryl Dentistry

Get to know Dentist Dr. Kayee Herzberg, who serves patients in Littleton, Colorado.

New York City, New York May 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - A devoted dentist, Dr. Herzberg is affiliated with Ken Caryl Dentistry, working alongside her husband, Dr. Greg Herzberg. She believes in building strong relationships with her patients to provide them with the highest level of care.

Ken Caryl Dentistry is a full-service dental practice committed to providing their patients with the best quality dentistry in Littleton, Colorado. They use the best practices and state-of-the-art techniques in dentistry to deliver superior dental care to their patients. They value their time, listen to their concerns, understand their smile goals, and collaborate with them at every step of the treatment. They treat their patients like family and go out of their way to ensure they receive the best dental care.

Hailing from New York, Dr. Herzberg graduated magna cum laude with a Bachelor of Science degree in Biology from Rensselaer Polytechnic Institute. During her college years, she was mentored by her orthodontist and decided to pursue a career in dentistry. She graduated cum laude from the University at Buffalo School of Dental Medicine, with a minor in prosthodontics.

During her time at dental school, she participated in charity dental missions, providing dental care to underserved communities in Puerto Rico and the Appalachian regions of Tennessee. She furthered her education in Colorado by completing a general practice residency at Denver Health, where she gained valuable experience in treating patients in a hospital setting, including emergency room cases.

On a professional level, Dr. Herzberg is a member of the American Society of Implant & Reconstructive Dentistry (ASIRD), which is committed to improving the quality of care for dental implant patients by elevating the standards of surgical and restorative dental education and practice. She continues to enhance her education by taking advanced courses in esthetics and implant dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

When she is not practicing dentistry, Dr. Herzberg enjoys outdoor activities such as running, mountain biking, skiing, and hiking, as well as traveling and cooking gourmet feasts.
