

Law firm locates dad's daughter, secures her return to the safety of her dad

Chicago, Illinois May 26, 2023 ([Issuewire.com](https://www.issuewire.com)) - The Law Offices of Jeffery M. Leving Ltd., based in Chicago, gained a thorough victory for a dad and his 6-year-old daughter.

"When Dad called our office, he hadn't seen his little girl for several long months," says renowned Fathers' Rights attorney Jeffery M. Leving, founder and president of the firm. "He didn't even know where she was or whom she was with."

Leving will talk about the case on his weekly radio show, the Dads' Rights Legal Hour, 9-10 a.m. CDT Saturday, May 27 on Power 92.3 FM in Chicago.

The Leving legal team, along with the firm's private investigator, helped Dad and located his daughter, and what they found was not good: The girl was with her mother, and the mother had a new boyfriend. "Without going into too much detail, I'll simply say I feared the new boyfriend, and his presence, posed a danger, and we had to protect Dad's little girl," Leving says.

The Leving legal team crafted a detailed legal strategy to win. When they went to court, they convinced the judge of the potential danger in the home where their client's daughter was living.

They won: The judge entered an order granting Dad full custody and decision-making authority, and primary residential placement of his daughter. The mother will be able to see her daughter, but only under very strict supervision.

"This is a total victory, modified for broadcast, which removes a little girl from a dangerous living arrangement, as I see it, and places her with her loving father, in a safe and stable environment," Leving says. "Remember, when Dad came to us, he didn't even know where his daughter was. Now they're together, as they should be – a great job, and Dad couldn't be happier."
