Coding and Math Classes for Kids Ages 6-16

Leander, Texas May 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - Skill Samurai is excited to announce the grand opening of its newest location in Leander, Texas on June 10th. Skill Samurai provides a comprehensive STEM education program for children ages 6-16. Samurai offers fun and engaging classes in coding, math, and other STEM-related subjects to help kids develop critical thinking, problem-solving, and collaboration skills that will prepare them for future success.

Skill Samurai Leander is owned by Peter and Brenda Reynolds. They are former Nurses who have been working in the hospitals in Austin Texas. They moved to Austin after living in Duluth Minnesota.

Skill Samurai's curriculum is designed to give kids a head start in an increasingly technology-driven world. By teaching coding, math, and other STEM-related subjects, the program provides children with the tools they need to excel in the digital age. Skill Samurai offers MathCode™ the only integrated Math + Coding Program That Kids Love. Classes are taught by experienced coaches who are passionate about STEM education and dedicated to helping kids reach their full potential.

"We're thrilled to be opening our latest location in Leander and bringing our unique approach to STEM education to the community," said Skill Samurai Founder, Jeff Hughes. "Our program is designed to be fun and engaging for kids, while also providing them with valuable skills that will help them succeed in the future."

At Skill Samurai, kids choose from a variety of classes that cater to their interests and skill levels. From beginner coding classes to advanced math courses, the program offers something for every child. Classes are held in small groups to ensure that each child receives personalized attention and support from their teacher.

Skill Samurai is committed to making STEM education accessible to all children in the Franklin community. The program offers flexible scheduling options to accommodate busy families. Parents can rest assured that their children are in good hands with Skill Samurai's experienced coaches and engaging curriculum.

Skill Samurai is now enrolling for its fall classes. To learn more about the program and to register your child, visit the Skill Samurai website at

With units in North America, South America, Asia, and Australia, Skill Samurai has proven that there is skyrocketing demand for STEM, Coding, Robotics, and Artificial Intelligence classes around the world. Skill Samurai prepares students for the jobs that will be in demand in the future by focusing on real programming languages and industry-recognized career certification.

Founded in May 2015 by Jeff Hughes, Skill Samurai is an innovative and non-traditional approach to children's programs. The company started with just one location in New Brunswick and has since expanded globally with locations across Canada, The United States, Asia, Australia, and Latin America. Skill Samurai plans to open 30 locations per year, moving forward in the coming years.
