

Manjeet S. Chawla, MD, a Hematologist-Oncologist with the Cancer Care Center at Thorek Memorial Hospital

Get to know Hematologist-Oncologist Dr. Manjeet S. Chawla, who serves patients in Chicago, Illinois.

New York City, New York May 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Chawla is a triple board-certified hematologist-oncologist whose areas of expertise include breast cancer, lung cancer, colon cancer, lymphoma, and leukemia. He works within the Cancer Care Center at Thorek Memorial Hospital in Chicago, Illinois.

“At Thorek Memorial Hospital, we believe in using an integrated, multi-disciplinary approach to cancer treatment. We have a talented team of doctors representing a wide range of specialties. From conventional treatments, such as surgery, medical oncology and radiation oncology, to complementary therapies such as nutrition, cosmetic and post-breast surgery rehabilitation services, our team of doctors and nurses care for the full range of our patients’ needs” as stated on their website.

Educated in Thailand, Dr. Chawla graduated with his medical degree from the Faculty of Medicine at Chiang Mai University in 1972. He then relocated to the United States, performing his residency at John H. Stroger, Jr. Hospital of Cook County in 1976, followed by his fellowship in hematology and medical oncology at the University of Illinois College of Medicine at Chicago in 1979.

Board-certified in internal medicine, hematology, and medical oncology, he is a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Licensed to practice medicine in Illinois, Dr. Chawla is affiliated with Ascension St. Mary-Chicago, Ascension Saint Elizabeth, Humboldt Park Health-Chicago, St. Anthony Hospital-Chicago, and Captain James A. Lovell Federal Health Care Center.

Hematology is the branch of medicine concerned with the study of the cause, prognosis, treatment, and prevention of diseases related to blood. Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A hematologist-oncologist is a physician who specializes in the diagnosis, treatment, or prevention of cancer, malignant blood diseases such as leukemia, lymphoma, and multiple myeloma, and blood disorders such as iron-deficiency anemia, clotting abnormalities, hemophilia, and sickle-cell disease.

Among Dr. Chawla’s various accolades include Chicago Magazine - Women’s Health: 2019; Chicago Magazine-Cancer Doctors: 2017, 2019, 2022; Chicago Magazine-Aging: 2020; and Chicago Magazine: Top Doctors: 2021, 2022.
