

Mohammed Ali, MD, Diagnostic Radiology Resident at Henry Ford Hospital

Get to know Diagnostic Radiology Resident Dr. Mohammed Ali, who studies in Detroit, Michigan.

New York City, New York May 16, 2023 ([IssueWire.com](https://www.IssueWire.com)) - After graduating with the class of 2019, Dr. Ali received his medical degree from the Indiana University School of Medicine. He is currently a 4-year diagnostic radiology resident at Henry Ford Hospital.

The diagnostic radiology residency program at Henry Ford Hospital has a long tradition of training outstanding radiology residents. The dedicated teaching faculty is committed to providing residents with an excellent clinical experience and education, along with abundant research opportunities. They offer broad exposure to virtually every subspecialty of radiology, ensuring graduates are equipped with the skills necessary for a successful career in academia or private practice.

Board-certified in internal medicine, Dr. Ali is a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
