

Neelima Yerra, DDS, a Dentist with Apex Family Dentistry

Get to know Dentist Dr. Neelima Yerra, who serves patients in Brooklyn, Maryland.

New York City, New York May 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Yerra, a general and cosmetic dentist, is the Owner & Operator of Apex Family Dentistry in Brooklyn, Maryland.

Working in a happy and fun-loving environment, some of the services that she offers include general dentistry, sleep apnea, cosmetic treatments, restorative treatments, and emergency care.

A veneers specialist, Dr. Yerra is one of the few doctors in the area that can provide patients with an excellent alternative to regular veneers. She uses the BIOCLEAR MATRIX method to close gaps between teeth, black triangles between teeth, or just create a new smile by camouflaging any existing stains or discoloration in the teeth.

Educated in India, Dr. Yerra graduated with her Bachelor of Dental Surgery degree from NTR University of Health Sciences in 2008. She then went on to complete her postgraduate training in hospital management at the Institute of Health Management Research - Bangalore.

Upon relocating to the United States, she attended the New York University College of Dentistry, graduating with her Doctor of Dental Surgery degree in 2015.

When asked why she became a dentist and not a real doctor, Dr. Yerra answered: “I always get asked this question, and my answer is always the same, because I LOVE TEETH! Your smile is my passion! I believe it is one of those rare medical fields where you can provide valuable healthcare services, and also bring about a magical change in someone’s life by creating healthy, beautiful, and confident smiles!!”

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Happily married, Dr. Yerra and her husband have two beautiful children.
