

## New Summer Song "Big in Japan" Takes the Music Scene by Storm - Cast Your Vote Now!

The emotive vocals flawlessly capture the original song's somber mood while adding a modern flair to the mix, keeping the remix fresh and exhilarating.

London, United Kingdom May 29, 2023 ([Issuewire.com](http://Issuewire.com)) - New Music Top, an exemplary music distribution service, consistently provides unparalleled music experiences to its audience, unveiling a hot new summer single called "Big In Japan". This release features a remarkable cover version of the classic hit, sure to delight music connoisseurs worldwide.

[ASPARAGUSproject and Leana Mask's "Big In Japan"](#) cover remix revitalizes the timeless track by infusing it with electronic beats and pulsating synths that embody the iconic sounds of the era. The emotive vocals flawlessly capture the original song's somber mood while adding a modern flair to the mix, keeping the remix fresh and exhilarating.

Despite the intricate electronic layers, the remix stays true to the familiar melody and lyrics, staying faithful to the original's well-loved aspects. Listening to their captivating collaboration transports listeners back in time to the 80s with their dynamic and colorful soundscape.

Regardless of your musical taste, whether you love vintage synth-pop or simply enjoy grooving to an infectious beat, ASPARAGUSproject and Leana Mask's "Big In Japan" cover remix is an absolute must-listen.

To cast your vote for this cover version, simply indicate if you approve by raising your finger or disapprove by lowering your thumbs. The [Music Star World](#) Music Award is reserved for the most adored and famous tracks, and we are certain this cover has the potential to earn such an honor.
