

oncite Releases Captivating New Single "La" Blending Digicore and Rap Elements

Experience a Mesmerizing Journey through Melody and Lyrics, With a Touch of Nostalgia and a Glimpse into the Future

Columbus, Ohio Jun 7, 2023 ([IssueWire.com](https://www.issuewire.com)) - Oncite, the rising star in the music industry, has just released their highly anticipated single "La," a captivating blend of digicore and rap elements that takes listeners on an unforgettable sonic adventure. The song is releasing on June 16th but can be streamed privately on SoundCloud at <https://on.soundcloud.com/V1ta7>.

"La" showcases oncite's unique talent for combining genres and creating an immersive experience through their music. The track envelops listeners with a somber melody that makes them feel like they're floating in space, washing away all worries when the beat drops.

Drawing inspiration from their personal journey and experiences, oncite's lyrics touch upon various themes, including reminiscing about old friends and embracing exciting new prospects. The song serves as a reminder of the artist's aspirations and future plans, which include flying out to LA, living life to the fullest, and giving back to the community that has supported their artistic endeavors.

oncite's collaborations with renowned artists such as JAHHLU, ty2fly, and caponeti have further enhanced their creative vision and musical prowess. These collaborations bring diverse perspectives and styles to "La," resulting in a truly captivating and memorable composition.

With its previous successful releases and a growing fan base, oncite continues to establish itself as an artist to watch. Their SoundCloud profile, <https://on.soundcloud.com/A35XC>, features an impressive collection of tracks that showcase their versatility and artistry.
