

Pop Music Artist from Perth O'Neill Fernandes Pays Tribute to Mothers Around the World with 'Mother's Love...Vol.3'

The talented Pop music artist from Perth O'Neill Fernandes has released his newest album 'Mother's Love...Vol.3', comprising tracks like 'La Mer' and 'Congratulations'.

Perth, May 23, 2023 ([Issuewire.com](https://www.issuewire.com)) - As the world found itself caught up in the wave of celebrating Mother's Day this month, the renowned music artist chose his art to pay tribute to all the mothers around the globe who play a key role in shaping the lives of every individual. With his own mother Pam and his late mother-in-law Hilda as the muse, the music maven **O'Neill Fernandes** has released his brilliant new album '[Mother's Love...Vol.3](#)', which is a continuation of the album 'Mother's Love' released on 7 July 2021, and the second volume released on 15 April 2022. Comprising 21 enlivening and touching magical pieces, like '[La Mer](#)' and '[Congratulations](#)', the album brings with it a cadence of optimism and invigorates listeners with its heartfelt melody.

The song bears the personal touch of O'Neill's muses as he compiles some of their beloved songs and this sentiment resonates deep in the hearts of his listeners, leading to a strong bond between them and the artist. The diversity in the tracks sets it apart and brings in a bouquet of flavors to his audiences, as attested by the two songs '**La Mer**' and '**Congratulations**'. The former, composed by the French composer Charles Trenet and released in 1946, hits a serene yet infectious joyous note, whereas the latter, recorded by British singer Cliff Richard and written by Bill Martin and Phil Coulter and released on 15 March 1968, has a more upbeat and eclectic note to it. And yet both songs bear the undeniable mark of the creative brilliance of the [Pop music artist from Perth](#), as he stitches together the harmonious synths and charming 808s to create the perfect symphony of good vibes and optimism.

‘Mother’s Love...Vol.3’ is an irreplaceable new addition to the coveted musical repertoire of the artist and induces a plethora of emotions in the hearts of the listeners and therein lies the magnificence of this self-taught music artist. Check out these amazing new tracks by **O’Neill Fernandes** along with his other songs like **‘Geronimo’** and **‘Red Sails In The Sunset’** on [SoundCloud](#).
