

ProHance Partners with GWFM at Malaysia Leadership Roundtable Event 2023

Kuala Lumpur, Malaysia May 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - [ProHance](#), a top-rated workforce analytics and operations enablement platform partnered with the Global Workforce Management (GWFM) Malaysia Chapter for its Strategic Leadership Roundtable Event 2023.

The event, which took place in Kuala Lumpur, featured a keynote address from [Rajesh Sharma](#), the Co-Founder & COO of ProHance. The address centered around the topic of "Macro Trends Reshaping Workforce Management," which was followed by an interactive panel discussion. A distinguished gathering of industry experts and leaders from ProHance, GWFM, food panda, HSBC, EY, Atos, and Credence were present at the event.

The event's theme, "New Value Proposition for 2023: Organization's Optimization through Leveraging Automation for Better Workplace and Workforce Operations," provided a platform for attendees to gain insights into the latest trends and strategies in leadership and management. The panel discussed the importance of developing a strong leadership culture, the challenges of leading in a rapidly changing environment, and the significance of diversity and inclusion in the workplace.

[ProHance](#) is thrilled to have partnered with GWFM to host the event and is committed to continuing to work together to promote leadership and management excellence in Malaysia.
