

ProHance Sponsors 17th CCAP Executives' Golf Tournament

Metropolitan Manila Area, Philippines May 29, 2023 ([Issuewire.com](https://www.issuewire.com)) - [ProHance](https://www.prohance.com), a leading provider of new-age workplace analytics and operations enablement solutions, proudly sponsored the highly anticipated 17th CCAP Executives' Golf Tournament. The event, organized by the Contact Center Association of the Philippines (CCAP), brought together top executives for a day of golfing, networking, camaraderie, and strategic discussions.

As the premier organization representing the Philippine contact center industry, CCAP plays a crucial role in fostering collaboration and driving industry growth. Its mission is to sustain the country's global leadership in market share, innovation, and best practices, while actively promoting awareness, talent development, and industry welfare through partnerships with the government, academia, and other sectors.

The prestigious 17th CCAP Executives' Golf Tournament took place at the renowned Orchard Golf and Country Club in Cavite, near Manila, and saw over 80 high-profile industry executives in attendance. Among them was Ankur Dhingra, CEO of ProHance, who demonstrated the company's commitment to the industry by participating in the tournament and engaging in valuable networking opportunities.

By sponsoring this esteemed event, ProHance reaffirms its dedication to supporting the growth and success of the Philippine contact center industry. With a focus on empowering organizations to achieve

operational excellence and a track record of success, ProHance brings a wealth of expertise and innovative solutions to its clients, making it a trusted partner for industry executives.

Through its sponsorship of the 17th CCAP Executives' Golf Tournament, ProHance continues to provide industry leaders with the tools and strategies needed to navigate the evolving landscape of the contact center industry, solidifying its position as a trusted partner for the industry's top executives.
