

## Revolutionizing Snacking with Snack Amor: A Deliciously Healthy Brand by Founders Deepak and Jyoti Grover

**Mumbai, Maharashtra May 23, 2023 ([Issuewire.com](https://www.issuewire.com))** - Snack Amor is a new healthy snack brand that began in 2018. The company's founders, Deepak Grover, and Jyoti Grover started developing recipes, developing flavors, and taking them on the road before launching their line with her friends and family. The company has developed a line of high-quality, all-natural snacks that are low in calories but rich in flavor. The snacks are made from fresh ingredients and contain no trans fats or preservatives.

Snack Amor began in 2018, where the firm's mission is to bring healthy food options to everyone, including those who might not otherwise be able to afford them or simply don't know what they're missing out on in life by not having access to healthy food options at home! Snack Amor hopes to become an industry leader when it comes to providing [high-quality snacks](#) that are affordable yet nutritious enough so as not to hurt anyone's budget when purchasing them regularly on a daily basis

"We created Snack Amor because we're passionate about food and want to share our love with others," said co-founder Deepak Grover.
