Get to know General and Cosmetic Dentist Dr. Robert Cukier, who serves patients in Queens, New York.

New York City, New York May 19, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Cukier is a general and cosmetic dentist who is known for developing and refining dental techniques and procedures, which have become standards for other dentists around the world. He is currently serving patients' dental needs at Glendale Family Dental in Glendale, Queens, New York. Glendale Family Dental is a full-service cosmetic and general dental office specializing in creating beautiful smiles and providing individualized smile rejuvenation procedures. There, Dr. Cukier provides full-service dentistry for everything from cleanings and fillings to periodontal disease treatment and root canal therapy to complete smile makeovers and dental implants. He recognizes that conservative treatment can only be achieved through preventive care, early diagnosis, and solid patient education. His goal to treat each patient with the latest technologies, allowing the most comfortable and minimally invasive dentistry and cosmetic dentistry New York has to offer.

Dr. Cukier provides a full-service dental practice, but he is best-known for his exceptional ability to promote proper dental care and hygiene in his patients. His gentle touch and personable nature are what make this practice feel more like a family. For his VIP clients, Dr. Cukier also provides mobile dentistry services – traveling to photo shoots, movie sets, recording studios, and professional sporting events to provide cosmetic and sports dentistry treatment. Dubbed the “Guru of Cosmetic Dentistry” by his peers, he designs the newest in Hollywood smiles using Cosmetadent® whitening, porcelain veneers, and precision-crafted dental crowns to create sexy, sporty, romantic, and sophisticated looks.

Dr. Cukier earned his Doctor of Dental Surgery degree from the New York University College of Dentistry. He then went on to complete his residency in cosmetic and implant dental surgery at the Brooklyn Hospital Center. Dr. Cukier still maintains a high level of dental excellence through extensive continuing education and training in general dentistry, cosmetic dentistry, and Invisalign.

Dr. Cukier is a member of the Congress of Oral Implantologists and the American Dental Association. Dr. Cukier has been featured on The Dr. Oz Show multiple times for his expertise in cosmetic dentistry. The Consumer's Research Council of America has also named him one of “America's Top Dentists.”

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. As a general & cosmetic dentist, Dr. Cukier has the skills needed to complete an array of procedures that are simple or complex in nature. His philosophy is simple: care for patients and perform dentistry the way you would want it performed on yourself.
