

Shreenath Motors Pvt Ltd Celebrates World Day for Safety and Health at Work with Seminars on Workplace Safety

Shreenath Hyundai Showrooms in Chembur and Andheri celebrated the World Day for Safety and Health at Work by hosting seminars on the importance of workplace safety and health

Mumbai, Maharashtra May 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Shreenath Hyundai Showrooms](#) in Chembur and Andheri **celebrated the World Day for Safety and Health at Work** by hosting seminars on the importance of workplace safety and health. The seminars aimed to raise awareness about the significance of promoting a safe and healthy working environment for all employees.

Shreenath Motors Private Limited is committed to promoting workplace safety and health and providing its employees with a safe and healthy working environment. They provide their employees with the training and resources they need to stay safe, including safety manuals, first aid kits, and regular safety briefings.

The event highlighted the importance of providing employees with a safe and healthy working environment as a fundamental principle and right at work. The speakers emphasized the need to support employees by providing a safe workplace and recognizing the importance of mental health.

This Hyundai dealership's commitment to workplace safety and health is reflected in the measures they take to minimize workplace accidents and illnesses.

The seminars were attended by a diverse group of attendees, including employees, business owners, and safety professionals. The event celebrated the World Day for Safety and Health at Work to promote safe, healthy, and decent work environments across all facilities.

"We are committed to providing our employees with a safe and healthy working environment," said a spokesperson for Shreenath Motors Private Limited. "We believe that promoting workplace safety and health is essential for the well-being of employees and the success of our business."
