

## Syed Haider, MD, a Hematologist-Oncologist with Vince Lombardi Cancer Clinic

Get to know Hematologist-Oncologist Dr. Syed Haider, who serves patients in Milwaukee, Wisconsin.

**New York City, New York May 31, 2023 ([Issuewire.com](https://www.Issuewire.com))** - A triple board-certified hematologist-oncologist, Dr. Haider focuses on the diagnosis, treatment, and prevention of blood diseases, such as hemophilia and sickle cell disease, to help patients stay connected to their healthy place.

Treating patients with utmost compassion and respect, he practices at Vince Lombardi Cancer Clinic in Milwaukee, Wisconsin.

A part of Aurora St Luke's Medical Center, Vince Lombardi Cancer Clinic combines state-of-the-art medical technologies with caring treatment to deliver the high-quality, personalized care patients deserve.

After graduating with the class of 1990, Dr. Haider earned his medical degree from Dow Medical College in Pakistan. He then relocated to the United States, performing his residency in internal medicine at Beaumont Hospital-Dearborn, his fellowship in hematology and medical oncology at the University of Tennessee Health Science Center, and an additional fellowship in stem cell transplantation at Vanderbilt University Medical Center.

Board-certified in hematology, medical oncology, and internal medicine, the doctor is a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Hematology is the branch of medicine concerned with the study of the cause, prognosis, treatment, and prevention of diseases related to blood. Oncology is a branch of medicine that deals with the prevention, diagnosis, and treatment of cancer. A hematologist-oncologist is a physician who specializes in the diagnosis, treatment, or prevention of cancer, malignant blood diseases such as leukemia, lymphoma, and multiple myeloma, and blood disorders such as iron-deficiency anemia, clotting abnormalities, hemophilia, and sickle-cell disease.

On a more personal note, Dr. Haider is fluent in English, Hindi, and Urdu.
