

Tasha Bolden, DMD, MSD, an Orthodontist with Schoolhouse Orthodontics, LTD

Get to know Orthodontist Dr. Tasha Bolden, who serves patients in Pennsylvania.

New York City, New York May 19, 2023 ([IssueWire.com](https://www.IssueWire.com)) - At Schoolhouse Orthodontics, LTD, Dr. Bolden provides comprehensive orthodontic treatment to people of all ages living in and around Nazareth, Pennsylvania, and throughout Northampton County.

Passionate about helping people achieve beautiful smiles and good oral health, she takes a patient-centered approach to treatment. She also sets aside time to communicate with and educate each individual who visits her practice, with her philosophy centering around total dedication to individualized patient care.

Schoolhouse Orthodontics, LTD offers a comprehensive suite of services designed to straighten the teeth and jaw, including braces, Invisalign®, retainers, and two-phase treatment with the Damon™ bracket system. These and other measures can minimize the impact of various alignment issues, like teeth crowding and overbite.

Following an in-office consultation and discussion of treatment goals, Dr. Bolden develops custom care plans that include flexible financing options. She is trained in the most modern techniques in orthodontics, including self-ligating brackets (for faster treatment), Invisalign®, ceramic braces, and many others.

Also offering diagnosis and treatment of sleep apnea, her knowledge and expertise provide safe and effective ways to manage loud snoring, frequent sleep disturbances, and morning headaches.

Academically, Dr. Bolden graduated with her Doctor of Medicine in Dentistry degree from The University of Pennsylvania School of Dental Medicine. She also completed her Master of Science in Dentistry degree and her postdoctoral speciality training in orthodontics at the School of Dental Medicine at Case Western Reserve University.

Furthering her knowledge and skill set, she trained in the treatment of craniofacial defects at the Rainbow Babies and Children's Hospital, Craniofacial Defects Clinic in Cleveland, Ohio.

With a vision to create and operate an orthodontic, patient-focused center of excellence, Dr. Bolden, with the full support and encouragement of her husband and three children, bought and renovated an old schoolhouse building in Nazareth and opened the doors to her current practice in 2008.

To ensure she is providing the most up-to-date care for her patients, Dr. Bolden continues to attend continuing education lectures and meetings throughout the year.

Among her professional affiliations, she is an active member of the American Association of Orthodontists, the Pennsylvania Orthodontic Society, and the Lehigh Valley Orthodontic Society.

Orthodontics is a specialty of dentistry that deals with the diagnosis, prevention, and correction of malpositioned teeth and jaws. Orthodontists are responsible for identifying problems with the positioning of a patient's teeth and with their oral development. They utilize the most advanced procedures and equipment available to ensure that every patient achieves a healthy and beautiful smile.

Due to her outstanding performance in the field of orthodontics, Dr. Bolden has been featured in Lehigh Valley Style Magazine in 2016 and 2017.
