

## TIS marks 5-Year Milestone as one of the Best Salesforce Implementation Partner: 325+ Projects and 100+ Consultants

**Noida, Uttar Pradesh Jun 1, 2023 ([Issuewire.com](https://www.issuewire.com))** - TIS is one of the leading Salesforce Service providers across the globe, and it has recently celebrated the 5 years milestone as a Salesforce partner, with overwhelming pride. With more than 325 successful projects in the last 5 years and a team of over 100+ Salesforce Consultants, TIS looks towards a bright future.

TIS has been offering [top-notch Salesforce implementation services](#) to its customers since its inception.

Their team has been providing exceptional configuration, customization, data migration, and support services to their clients for better productivity and efficiency across levels. As a result, they have helped many organizations in streamlining their business processes and boost revenue growth.

The company's customer-centric approach, commitment to timely delivery, and dedication to quality are all factors that have contributed to its incredible success.

"We are proud of our team's hard work and dedication to ensure our customers' success and are extremely thrilled to celebrate this significant milestone with them," said Vijayendra Thapliyal, Director at TIS.

"Our team's collective hard work, expertise, and passion for the Salesforce platform, have all enabled us to provide successful implementations throughout the globe that drove business value for our customers" said Vishal Jain, Vice President at TIS.

Within the last 5 years, TIS has successfully completed an astounding number of Salesforce implementation projects for all business sizes across industry verticals and geographies. With Salesforce Implementation across verticals, their primary focus remains on the healthcare industry, retail industry, financial services, and manufacturing industry.

"Our experience with TIS has been utterly satisfactory," said Bill Clayton, Head-Business Applications, a TIS client in the Financial Services Industry. "They provided us with a customized and comprehensive solution that optimized our sales process and boosted our team's productivity. We were elated by their expertise, professionalism, and satisfactory customer service."

To increase its productivity and meet the ever-growing demand for Salesforce implementation services, TIS brings a team of over 100+ consultants that are extensively experienced, and carry a passion to offer the best services to their clients.

The company is focused on building an environment that fosters development, growth, and a commitment to customer satisfaction and success.

"We are proud of our team's accomplishments and the impact we have made on our clients' businesses. As we step towards the future, we are committed to delivering innovative solutions that allow our clients to achieve their goals and succeed with flying colors, in their respective industries" said Vijayendra Thapliyal, Director at TIS.
