

UnsubCentral Launches Automated Email Marketing Compliance Solution to Streamline Regulatory Compliance Requirements

Austin, Texas May 4, 2023 ([IssueWire.com](https://www.issuewire.com)) - UnsubCentral, a leading provider of email marketing compliance solutions, today announced the launch of its new Automated Email Marketing Compliance Solution. The solution is designed to help businesses streamline their regulatory compliance requirements and ensure customer data privacy.

UnsubCentral's Automated Email [marketing compliance](#) Solution is designed to make it easier for businesses to comply with email marketing regulations and protect customer data. The solution allows businesses to automatically monitor their email campaigns for compliance with laws such as CAN-SPAM, GDPR, CCPA, and others. It also provides businesses with the ability to set up detailed opt-out and unsubscribe preferences for customers.

"With increasing regulation around email marketing, it's more important than ever for businesses to ensure that their campaigns are compliant with the law," said Ben Flora, CEO of UnsubCentral. "Our Automated Email Marketing Compliance Solution makes it easier for businesses to adhere to the latest regulations and protect their customers' data."

UnsubCentral's Automated Email Marketing Compliance Solution provides businesses with the ability to easily set up and manage opt-out and unsubscribe preferences for their customers. The solution also helps businesses monitor their campaigns for compliance with the latest regulations, quickly detect any violations, and take corrective action. Additionally, the solution provides businesses with an audit trail that can be used to show compliance with the law.

The solution is designed to be easy to use and integrate with existing email marketing platforms. It is also fully compliant with the latest regulations and backed by UnsubCentral's 24/7 customer support team.
