Professionally, Dr. Davis is a Fellow of the American Academy of Family Physicians (FAAFP), a Certified Physician Executive through the American Association for Physician Leadership (AAPL-CPE), a member of the American Association for Physician Leadership, and a member of the South Carolina Medical Association.

Teaching medical students, he serves as a Professor at the Edward Via College of Osteopathic Medicine.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
