

2022 Manager of the Year, Anthony Limbrick joins Manchester 62 F.C. citing club's commitment to Alzheimer's Awareness

FOR IMMEDIATE RELEASE Manchester 62. F.C who last year became the first European top flight football club to have all outfield players wear protective headbands in a professional match has signed 2022 Cymru Manager of the Year Anthony Limbrick.

Manchester, United Kingdom Jun 22, 2023 ([IssueWire.com](https://www.issuewire.com)) - Manchester 62 FC, the groundbreaking European top-flight football club known for its dedication to player safety, proudly announces the signing of Anthony Limbrick as their new manager. Limbrick, the 2022 Cymru Manager of the Year, brings a wealth of experience and a passion for promoting Alzheimer's awareness and concussion safety within the sport.

Manchester 62 FC made headlines last year by becoming the first European top-flight football club to equip all outfield players with protective headbands during a professional match. This pioneering step showcased the club's commitment to prioritizing player safety and minimizing the risk of head injuries.

In line with their ongoing dedication to concussion safety, Manchester 62 FC has chosen Anthony Limbrick as their new manager. Limbrick's proven track record in

coaching and his strong advocacy for player welfare make him an ideal fit for the club's vision.

"I am thrilled to join Manchester 62 FC and contribute to their progressive approach to player safety," said Anthony Limbrick. "Through our collective efforts, we will not only strive for success on the pitch but also raise awareness about Alzheimer's disease and the importance of concussion management in football." - Anthony Limbrick

Limbrick's appointment reflects Manchester 62 FC's commitment to supporting Alzheimer's awareness. The club aims to leverage its platform to educate fans, players, and the wider community about the impact of Alzheimer's disease and the ways to mitigate its effects through research, prevention, and support.

Under Limbrick's guidance, Manchester 62 FC is poised to build on its recent successes and establish itself as a leading force in European football. His managerial expertise, combined with the club's progressive mindset, is set to create an exciting chapter for both players and supporters.

"I am excited to work with a talented group of players and a forward-thinking organization like Manchester 62 FC," added Limbrick. "Together, we will strive for excellence while making a positive impact on player welfare and raising awareness about important health issues."

- Anthony Limbrick

"Our mission at Manchester 62 F.C. to provide awareness for concussion safety and support towards the fight to find a cure for Alzheimer's and Dementia has just taken a historic step forward. Coach Limbrick is one of the brightest managers in the game today, his commitment to our club's purpose beyond the pitch philosophy accompanied by his overall dedication towards getting the best out of his players, will set a winning tone at this club that will resonate for many years to come."

- **Michael Anton Monsour, Chairman, Manchester 62 F.C.**

Manchester 62 F.C., formerly known as Manchester United Gibraltar is a first division football club that plays in the Gibraltar Football League's First Division. The Club was founded in 1962 in honour of the English Club Manchester United by a group of supporters, after the manager Matt Busby gave permission to use the name. In 2013, UEFA gave the Gibraltar Football League one place each in the qualifying rounds of both the Europa League and the Champions League. Currently, the Club is partnered with the **Gibraltar Alzheimer's and Dementia Society** in an effort to spread awareness and support in the fight against Alzheimer's and Dementia.
