New York City, New York Jun 28, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Ahmadi is the Founder of Avante Plastic Surgery with offices in Sugar Land and Houston, Texas. His eye for perfection and comforting demeanor has made him one of the leading cosmetic surgeons in the greater Houston area.

With over 30,000 patients over the last two decades, Avante Plastic Surgery is the ultimate destination for anyone seeking a dramatic change. Utilizing state-of-the-art technology and expertise, Dr. Ahmadi performs every kind of procedure from facelifts and nose reshaping to breast augmentations, reductions, and lifts. He has even offered solutions to people disappointed by results achieved elsewhere, ensuring a masterpiece.

As an innovator and creator of the famous LipoTuck™, Dr. Ahmadi has dedicated much of his career to helping patients achieve their goals with plastic surgery. He and his entire team take great pride in producing some of the best results for tummy tucks, liposuction, mommy makeover, and Brazilian Butt Lift in the Houston Metropolitan area.

In regards to his educational background, Dr. Ahmadi graduated with his Bachelor of Science degree in Computer Science with Honors from the University of Texas at Austin in 1991. He then went on to earn his medical degree from Baylor College of Medicine in 1995.

Furthering his training, he performed his residency in general surgery at the University of New Mexico Health Sciences Center in 2000. Two years later, in 2002, he completed a residency in plastic surgery at CHRISTUS St. Joseph Hospital.

Plastic surgery was a natural career choice for Dr. Ahmadi as an extension of his natural artistic talents. He is a Diplomate of the American Board of Plastic Surgery, which is the only specialty recognized by the American Board of Medical Specialties to provide all aspects of cosmetic surgery.

In addition, he is an active member of the Texas Society of Plastic Surgeons and the American Society of Plastic Surgeons.

A staff member at Memorial Hermann and Methodist Hospital, Dr. Ahmadi's quest for excellence and knowledge has earned him respect among his colleagues.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

On a more personal note, Dr. Ahmadi chose Sugar Land for his family to raise his daughter and son in one of the top-rated cities. He is also a published author in the field of plastic surgery.
