

Ankit Kumar Pandey : Youngest high designated person in sports industry

New Delhi, Delhi Jun 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - **Ankit Kumar Pandey**, a young and talented individual hailing from Buxar, Bihar, has emerged as a prominent figure in the field of sports and self-defense. Born on May 22, 2001, to parents Rita Pandey, a dedicated housewife, and Kameshwar Pandey, a retired Major Subedar, Ankit has two siblings sister Nishi Pandey and brother Amit Kumar Pandey, he's youngest among them, [Ankit Kumar Pandey](#) has showcased exceptional skills and determination in his endeavors.

Ankit's family moved to Varanasi in 2004, where he continued his education and laid the foundation for his future achievements. He completed his schooling from [Seth M.R. Jaipuria School](#), where he developed a passion for sports and discovered his innate talent for boxing. At the tender age of nine, Ankit ventured into the world of boxing, dedicating himself to the sport for two years, until 2011. However, he made the difficult decision to temporarily step away from sports to focus on his studies.

In 2016, with a strong desire to return to the sports arena, **Ankit Kumar Pandey** rekindled his passion and embarked on a new journey as a National Referee and Judge at Muay Thai games. [Muay Thai](#), also known as Thai boxing, is a combat sport that requires immense skill, discipline, and physical fitness. Ankit's determination and expertise earned him recognition as a [National Chief Secretary](#) of the Self Defense Association of India.

Not content with his accomplishments in the field of boxing, Ankit also actively promotes and advocates for self-defense practices in his community. As the [State Secretary](#) of the Uttar Pradesh Silambam Association, he works tirelessly to raise awareness about the importance of self-defense, especially among women and children. Ankit believes that everyone should have the ability to protect themselves and lead a life free from fear.

In addition to his sporting achievements, **Ankit Kumar Pandey** is a well-rounded individual academically. He completed his diploma in Computer Science and Engineering from [Maharaja Agrasen Himalayan Garhwal University](#), Uttarakhand, showcasing his commitment to personal and intellectual growth. Subsequently, he pursued his bachelor's degree in technology from [Shri Krishna University](#), Madhya Pradesh, expanding his knowledge and skills in the field.

Recognizing his exceptional contributions to sports and his dedication to fitness, the government of India appointed Ankit as a Fit India Ambassador. As a [Fit India Ambassador](#), he promotes a healthy and active lifestyle, encouraging people to prioritize their physical and mental well-being.

Ankit Kumar Pandey's achievements at such a young age reflect his unwavering dedication, discipline, and passion for sports and [self-defense](#). His journey serves as an inspiration to aspiring athletes and advocates, demonstrating that hard work and determination can pave the way for success. The future holds great promise for Ankit, as he continues to make significant contributions to the world of sports and self-defense.
