

AppJetty Announces Strategic Partnership with Decidem

AppJetty announces its partnership with Decidem to deliver the best Dynamics solutions to its customers.

Ahmedabad, Gujarat Jun 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - AppJetty and Decidem are pleased to announce that they have partnered to combine AppJetty's powerful business & technology solution with Decidem's specialization in executive services, audit, and strategic planning. This collaboration aims to leverage the expertise of both companies to enhance the Dynamics product line offered by AppJetty.

Decidem is known for its exceptional services and high-quality solutions that help customers optimize their resources and achieve significant economic gains. Decidem's commitment to provide executives with superior information system structure, and tools, aligns perfectly with AppJetty's mission of delivering cutting-edge Dynamics products and services.

"The collaboration between us and Biztech's teams has been excellent. We feel like the ability to be able to help our customers in having better information system structure and tools," said Philippe Guy, founder of Decidem.

With Decidem's deep industry knowledge and expertise, AppJetty can now expand its reach and provide an even broader range of solutions to its customers.

Maulik Shah, CEO of Biztech, said, "We are thrilled to partner with Decidem. Their extensive experience in finance management and information system will help us enhance Dynamics' offerings to new audiences. This collaboration will empower us to deliver exceptional products and services, and strengthen our position in the market."

The [partnership](#) between AppJetty and Decidem is set to bring to the table a wealth of expertise, industry-leading solutions, and unrivaled customer support. Together, the two companies are committed to delivering cutting-edge Dynamics products and services, ensuring that businesses can optimize their operations and drive success.
