

## Becoming a Special You: Chasing dreams

Just keep doing your work - opportunities will definitely knock on your door. Today or tomorrow!!

**Memphis, Tennessee Jun 29, 2023 ([Issuewire.com](http://Issuewire.com))** - Arijit Basu, a man of many hats add another feather in his cap by penning the book **“Becoming a Special You”** which has been published by the famous publishing house Barnes and Noble. The book is available as **E-book as well as in Paperback format**. Good news, **Becoming a Special You is now on sale on BN.com!**

The book narrates the unique feelings of the author regarding the challenges of life. Seeped in seasoned experiences from life's travail, the author finds his self-journey a worthy one. Embracing challenges and maintaining some golden disciplines, he finds that his voyage has indeed been rewarding with its unique essence.

The true reward of penning this book will be achieved if the readers find it worth adhering to life's golden

lessons that the author has shared.

The book also narrates that we not only should be dreaming but chasing dreams. We should have a life goal setting that aligns with our values and passion.

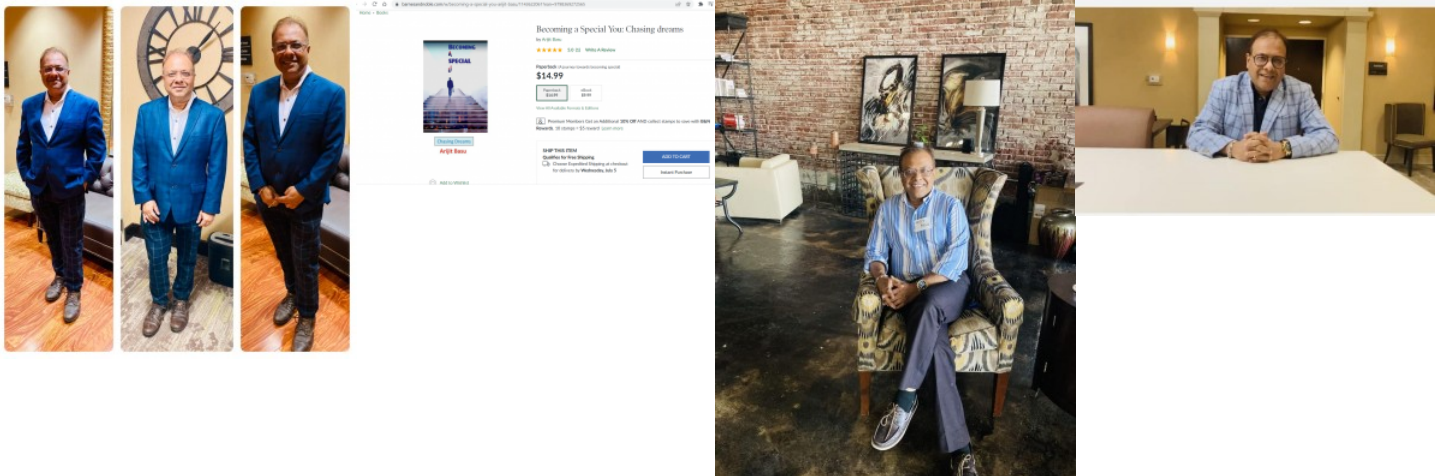

In order to attain fulfillment in both personal and professional journeys the book reflects upon the importance of self-care and in the process to achieve those dreams and how we overcome various obstacles that cross our path and embrace the struggle, practice gratitude, and how to build a positive attitude and focus on powerful networking of meaningful relationships and tackle the anxiety and stress and succeed to be happy on our own terms.

**The fundamental is to measure progress at each step and celebrate success and find happiness in whatever you do in all areas of your life.**
