

Danielle Jozsa, Recognized by BestAgents.us as a 2023 Top Agent

Taking great pride in helping clients throughout the entire process, Danielle is your partner throughout and after!

New York City, New York Jun 9, 2023 ([IssueWire.com](https://www.issuewire.com)) - Danielle is a residential & commercial realtor with Real Estate One, the largest family-owned real estate company in Michigan that goes back three generations. She loves helping buyers and sellers achieve their real estate goals, basing her professional success on her number one priority, customer satisfaction.

Whether it's buying a first-time home, a vacation home, downsizing, or investment property, Danielle can help get clients to where they need to be. She has experience in helping buyers visualize what the home can be to make it their own, whether it be kitchen/bath remodels, wall removals, or additions, and think outside of the box.

For clients who are looking to sell, Danielle can help guide them on selling as is or how to get 'the most bang for your buck'. If a client has items they are looking to sell, she can assist in what type of sale to hold and connect them with the right people. Or, for those who are looking to remodel their home, Danielle can help connect clients with the right people for home improvements and clean-outs.

Consistently named a Top Producer, Danielle has received the Resident Council Award in 2020, the Gold Award for Sales (for 5 years running), and the Customer Service Award from homes.com in 2021.

With a passion for real estate, she attributes her success to her clients, having earned their trust and referrals, and to her broker, who has been a great coach and supporter.
