

Enjoy Nino Khayyam's Hybrid Music in His Latest Influential Track 'I Don't Really Care'

With highly compelling lyricism along with some highly engaging musical styles, Nino Khayyam is winning hearts with his smoking hot track 'I Don't Really Care'.

New York City, Jun 23, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Seasoned Artist **Nino Khayyam** is here to make sure that people get an ample amount of his pure and prolific musical styles. Being one of the highly

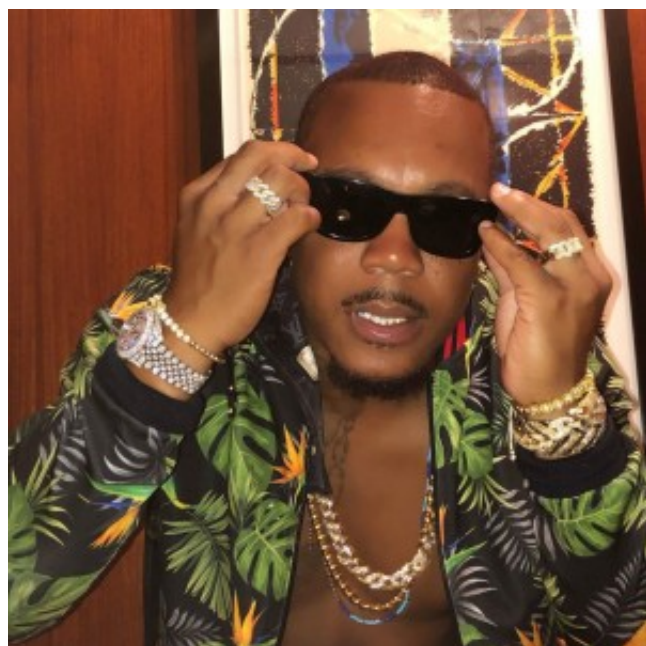

engaging artists he has had a steady music career for over a decade. One of his latest releases, '[I Don't Really Care](#)', is one of his releases by far. Nino started his career over 10 years back and still; he is making great progress with his daunting and cut-throat musical styles. The yelling and rapping styles have paved his path to fame with more perks like exceeded popularity and his highly loyal fan base. His first releases were fine and the rough around the edges quality has elevated the taste of his music and is still one of the best qualities of his tracks.

There is no way it can go without mentioning, Hip-hop is one of the most highly regarded music genres that celebrate unique expression along with explicit words and thoughts in the most straightforward way. And his works commemorate with some highly engaging vibes of hip-hop and rapping verses. His powerful voice is something that gives more supremacy to his releases. The command over his voice and the ranges that he can travel musically is highly fascinating for every music lover. **Nino Khayyam** is truly an impressive man, who is extremely talented and knows how to comprehend his thoughts in the most pleasant-sounding way.

He is now working on his next project, '**Cocaine & Caviar Part 2**'. Just a few weeks back he dropped his latest single '**Show Yar**' and a truly fascinating number that has over 20K views on YouTube. And his, '**I Don't Really Care**' has got over 37k views already. The Trill, Trippy, Trap, and Trance vibes of his tracks are truly highly engaging and overwhelming. With every year his music has changed and become more highly engaging for his audience. The video for the song is extremely charming and was shot on Barranquilla; the drill track with ATOPE vibes has made the song more striking. You can listen to his Hybrid Music soaked in the vibes of Urban Life on [YouTube](#) and you can also find him on [Instagram](#).
