

Evince Development: Igniting Growth and Celebrating Remarkable Achievements in the 11th Year

New York City, New York Jun 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - Evince Development, a CMMI Level 3 Certified [Software Development Company](#), proudly announces the celebration of its 11th anniversary, marking over a decade of remarkable growth, innovation, and customer success. Since its establishment in 2012, Evince Development has consistently demonstrated a commitment to excellence, positioning itself as an innovative leader in the Digital Transformation industry.

Notable Achievements of the 11th Year

- **Nationwide Recognition:** Evince Development's exceptional contributions to Digital Transformation were recognized by Economic Times News Media, solidifying its position as a market leader.
- **Eatance Solution on Shark Tank:** Eatance, their groundbreaking solution for the food tech industry, participated in Shark Tank, a popular television show known for showcasing innovative businesses. The exposure provided invaluable visibility and further validated the success of Eatance.
- **Certifications of Excellence:** Evince Development earned ISO 9001 and 27001 certifications, demonstrating their commitment to quality management and information security practices. These prestigious certifications highlight their dedication to delivering exceptional services to global clients while upholding the highest security and reliability standards.

- **CMMI Level 3 Certification:** Evince Development achieved the esteemed CMMI Level 3 certification, a testament to their mature and robust software development processes. This recognition reinforces their commitment to excellence and ability to deliver high-quality solutions to global clients consistently.
- **Eatance App Featured in a Popular Food Magazine:** Revolutionary Eatance app received recognition in a popular food magazine, further solidifying its reputation as a game-changer in the food industry. The feature highlighted the app's user-friendly interface, extensive functionality, and ability to transform food businesses.
- **Expansion of Eatance to Canada:** Eatance expanded its reach to Canada, providing even more opportunities for restaurants to leverage innovative solutions. The *Canadian Minister of External Affairs* recognized the app's impact on the food industry and its economic contribution.
- **ESOP Program:** Prioritize employees' long-term success and announce the implementation of the Employee Stock Ownership Plan (ESOP) program, demonstrating dedication to their growth and well-being.

Recognition and Accolades

Evince Development has garnered widespread recognition in the industry, underscoring its expertise and leadership:

- Manifest recognized Evince Development as one of the "**Top 100 E-Commerce Developers for May 2023.**"
