

Get Ready to Rock And Roll with Moonday6 and their Exceptionally Fascinating Musical Vibes

Emerging and incredibly compelling music group Moonday6 is winning the hearts of many music lovers with their incomparable tracks packed with impressive musical surges.

Neustadt am Rübenberge, Jun 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - During the pandemic, this group of extremely talented music artists has come together to form this band, **Monday6**. This 4-member band will consist of Singer Tobias Kiel, Guitarist Holger Marx, Professional drummer Tim Kagel, and bass player Andreas Onken. All of them had their profound music career and were pursuing that before they formed this band. Until the time they came together to form this band and get creative with their very individual musical notions.

As they started to create their unique music the world soon gravitated to their releases. They started their career with '[All Night Long](#)' in 2022. This was the title track of their debut album with the same name. The entire was released in 2023 and '[This Feeling](#)' is one of the remarkable numbers from this reflective album. Apart from this album they have released two more singles titled 'Rain' and 'I Will Be Gone' this year.

The production from **Moonday6**'s releases is handled by Boersma Records. And Holger Marx and Tobias Kiel are responsible for their prolific and reflective writing skills. And their music is a combination of the vibes of AC/DC, Guns N Roses, Bon Jovi, Bryan Adams, and Foo Fighters. They are making sure that all rock n roll lovers are given with ample amount of musical dose each day. Along with 'I Will Be Gone' and 'This Feeling' you can listen to their charming numbers like 'Seven Wonders', 'Hear Me Now', 'All Night Long', 'I Will Be Gone', 'Long Way Home', and 'Hunt The Sun' on [Spotify](#). And you can also find them on [Facebook](#), and [Instagram](#).

Lost in the generous musical vibes of Moonday6 and their exceptional uplifting music:
