

Get to know Antiaging Specialist Dr. Roya Jafari-Hassad, who serves patients in the New York area

Roya Jafari-Hassad, MD, an entrepreneur, Philanthropist, Author, Family Physician, Antiaging Specialist, and founder of Doctor Roya Institute

New York City, New York Jun 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - A trusted family physician and a leading authority in the field of anti-aging, Dr. Jafari-Hassad is the Founder and Medical Director of the Advanced Medical Health Services and Doctor Roya Institute in New York.

Passionate about the science and practice of medicine from a very young age, she was an honor student and graduate of a gifted and talented education center. She studied medicine at the Iran University of Medical Science (one of the top medical schools in Iran), before continuing her education in the United States. She attended the St. Joseph Medical Center of Family Medicine affiliated with Mount Sinai Medical School, where she received extensive training in family medicine and anti-aging medicine.

Beyond her professional endeavors, she is actively involved in supporting various charitable causes. She lends her support to anti-bullying organizations such as Kid Power International Community Matters and Child Care Foundation and recognizes the importance of fostering a safe and inclusive environment for children. Additionally, she advocates for gender equality and women's rights by contributing to the Global Fund for Women, a renowned organization at the forefront of promoting women's empowerment worldwide.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility. She is also specialized in antiaging and rejuvenative medicine and her dept of medical knowledge and vast clinical experience help her to connect and understand her patients health concerns better so she and her team can provide comprehensive and advanced medical care for them.

One of Dr. Jafari-Hassad's most notable achievements is her distinction as the "Best Family Physician" as well as "Best Antiaging" and "Top Doctor in New York" in 2023 These accolades are a testament to her expertise and dedication in providing exceptional care to her patients.

Speaking multiple languages, she is fluent in English and Farsi
